BITE-FREE FLOATS

Hippo Leisure have created a new range of throw in pool floats with a difference! Using their state of the art technology, Hippo has applied a thin, durable plastic coating to traditional foam pool floats making it almost impossible to bite!

Hippo have added an integral anti-bacterial additive to the skin to prevent allergic reactions and dangers caused from bacteria build up associated with foam floats.

Hippo's new range comprises of 3 bright and colourful designs, Sammy the Submarine, Terry the Tugboat and Vinny the Speedboat and will be on display at LIW. For further information, please contact Hippo Leisure.
